“In Jane Austen’s *Pride and Prejudice*, the role of women is a central theme that reflects the societal norms of the early 19th century. Women in the novel are primarily concerned with securing a good marriage as their main social and economic goal. Characters like Elizabeth Bennet challenge these norms by seeking marriage for love rather than financial stability. The novel critiques the limitations imposed on women and explores the complexities of gender and class within the Regency era. Through Elizabeth’s journey, Austen advocates for a reevaluation of women’s roles in society.”

Questions:

- 1. What is the main societal concern for women in *Pride and Prejudice*?
- 2. How does Elizabeth Bennet differ from other women in the novel?
- 3. What does the novel critique about the early 19th-century society?
- 4. Identify a key theme related to women’s roles in *Pride and Prejudice*.
- 5. How does Elizabeth’s approach to marriage reflect Austen’s views on gender roles?
