

YEARLY STATUS REPORT - 2022-2023

Part A

Data of the Institution

1.Name of the Institution		Himachal Pradesh University
• Name of the Head of the institution	Prof. Sat Prakash Bansal	
• Designation	Vice-Chancellor	
• Does the institution function from its own campus?	Yes	
• Phone no./Alternate phone no.	01772830499	
• Mobile no	9418141389	
• Registered e-mail	vc@hpuniv.ac.in	
• Alternate e-mail address	directoriqachpushimla@gmail.com	
• City/Town	Shimla	
• State/UT	Himachal Pradesh	
• Pin Code	171005	
2.Institutional status		
• University	State	
• Type of Institution	Co-education	
• Location	Semi-Urban	
• Name of the IQAC Co-ordinator/Director	Dr. Ramesh Thakur	

• Phone no./Alternate phone no	01772833508
• Mobile	9876071296
• IQAC e-mail address	directoriqachpushimla@gmail.com
• Alternate Email address	vc@hpuniv.ac.in
3.Website address (Web link of the AQAR (Previous Academic Year)	https://hpuniv.ac.in/hpuniv/upload/uploadfiles/files/IQAC%20AQAR%202021-22.pdf
4.Whether Academic Calendar prepared during the year?	Yes
• if yes, whether it is uploaded in the Institutional website Web link:	https://hpuniv.ac.in/hpuniv/upload/uploadfiles/files/Academic%20Calendar%202022-23.pdf

5.Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	B++	0	2003	21/03/2003	20/03/2008
Cycle 2	B	2.50	2009	31/12/2009	30/12/2014
Cycle 3	A	3.21	2016	05/11/2016	04/11/2021
Cycle 4	A	3.07	2022	09/11/2022	08/11/2027

6.Date of Establishment of IQAC

13/03/2003

7.Provide the list of Special Status conferred by Central/ State Government-UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.

Institution/ Department/Faculty	Scheme	Funding agency	Year of award with duration	Amount
Department of History	Unsung Heroes of Himachal Pradesh	Culture Ministry of India	01.05.2022 to 31.07.2022	2.0
Department of Chemistry	Novel pine needle based multifunctional material for wastewater treatment	DEST, Shimla	2022 (2 Year)	10.0
Department of Chemistry	Multifaceted magnetic hydrochar/Biochar: A potential material for water pollution remediation	DEST, Shimla	2022 (2 Year)	9.9
Department of Chemistry	Design and development of pine needle biochar-infused microbial consortia based hybrid biotubes for effective treatment of polluted water	NMHS, Uttarakhand	2023 (2 Year)	48.9
Department of Political Science	RESEARCH PROJECT (MAJOR)	ICSSR NEW DELHI	2022 (2 Year)	6.0
Department of Biotechnology	DBT, Post Graduate Teaching Program	DBT. GoI, New Delhi	2023 (1 Year)	42.9

Department of Biotechnology	Design & development of Pine Needle BIOCHAR Infused hybrid biotube for treatment of polluted water	NMHS, MoEF GoI	2023 (2 Year)	39.6
Department of Science & Technology	Design and Development of small wind turbines for hybrid systems in Western Himalaya	HIMCOSTE	2023 (2 Year)	6.16
PRC	Population Research Centre	MOHFW Delhi	2022 (1 Year)	36.4
Agro Eco Research Centre	Agro Eco Research Centre	AER Scheme (GOI) Ministry of Agriculture and farmers welfare	2022 (1 Year)	41.1

8. Whether composition of IQAC as per latest NAAC guidelines	Yes

16. Multidisciplinary / interdisciplinary

As National Education Policy envisages a holistic and multidisciplinary education across disciplines that would aim to develop all the capacities of human beings, the Himachal Pradesh University is proactively working towards accomplishing this objective. All the departments/centers under Himachal Pradesh University have been directed to ensure diversity in all curriculum and teaching-learning processes. In view of the National Education Policy, academic programmes are redesigned to include multidisciplinary/interdisciplinary courses as electives. In order to provide the holistic academic growth among students, interdisciplinary curriculum has been proposed which gives freedom to the students to choose their preferred options from the range of programmes offered by the university. All programmes are designed in such a way that students get maximum flexibility to choose elective courses offered by other departments. University has already initiated new interdisciplinary centres integrating different departments in addition to the existing inter/multidisciplinary research and academics resources. The multidisciplinary/interdisciplinary education imparted by university across different disciplines will ensure diversity and integrity of all knowledge.

17. Academic bank of credits (ABC):

Himachal Pradesh University is a member of the National Academic Depository (NAD) which is a government endeavour to offer an online repository for all academic awards under the Digital India programme. University has already initiated the adoption of Academic

Bank of Credits (ABC) and has appointed In charge and Nodal Officer. So far 45,347 ABC IDs of the students for the session 2022-23 have already been created and verified. University has also constituted technical and monitoring committees for the implementation of ABC. Moreover students will be facilitated with the option of earning required number of credits from other institutions as well as from online platforms (Swayam, e-PG Pathshala etc). Students will also be facilitated with the already earned credits to carry forward if he/she has discontinued the course for any of the reason earlier in the light of NEP-2020.

18.Skill development:

Himachal Pradesh University always focused on promoting academic excellence among students through participative learning, problem solving and skill based education. The focus is towards integrated knowledge acquisition and upgrading human skills towards creating a new skilful workforce. All the courses across different programmes are mapped in accordance with employability, skill development and entrepreneurship domain. The overall education philosophy of University is to (a) deliver knowledge related to core concepts and the focusing on application part (b) develop the personality, competencies and employability skills so that the students are industry ready (c) inculcate professional values and ethics, empathy and life skills (d) inculcate life-long learning abilities. Teaching and training methodologies of courses offered under different programmes are designed keeping above philosophy of the University. Various workshops/seminars/sessions are organized time to time by the university for the skill enhancement of the students. Moreover skill enhancement courses are also introduced in UG and PG curricula in keep in mind the mission "Skill India". The students' participation across different disciplines is ensured through various activities like group discussions, debates, presentations and role plays. Students are encouraged for problem-solving through various case studies and other situation-based exercises. Experiential learning is imparted through various field visits, projects and internship. In addition to this, students are involved in various leadership and team-work related exercises so as to develop leadership skills and promote team-work. All these activities and exercises help to develop the personality, competencies and employability skills among the students.

19.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Indian Knowledge system includes knowledge from ancient India to modern India and clear sense of India's future aspiration with

regard to education, health and environment. In order to promote/integrate the local language, art and culture, compulsory activities in the various curricula are added. With this perspective, various events are structured in Himachal Pradesh University through discussions/interactions/symposiums etc. even in local languages, which certainly help students to understand the different aspects of knowledge system.

Himachal Pradesh University encourages learning of national language Hindi by offering UG, PG and PhD courses in Hindi Language. Programmes including webinars and seminars are also offered to motivate Hindi learners and understand the cultural values permeated by the literary works in Hindi. Further, Indian Ethos in curriculum of various disciplines teaches cultural values in Indian tradition so students imbibe value orientation while in work. Frequent field trips to local heritage sites/museum are organized to understand the value of culture and traditions. University has already adopted a policy of various official communications in Hindi.

20.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

One of the objectives of National Education Policy is to adapt and implement Outcome Based Education (OBE). Outcome based education is an educational methodology where each aspect of education is organized around a set of goals (outcomes). Students should achieve their goals by the end of the educational process. Throughout the educational experience, all students should be able to achieve their goals. It focuses on measuring student performance through outcomes. Different programmes in Himachal Pradesh University are offered focusing Outcomes Based Education (OBE) which is designed keeping in mind the regional and global requirements. Graduate attributes are meant to be indoctrinated in all HPU students in line with the vision and mission of the university. HPU has adopted outcome based education with clearly stated Programme Outcomes, Programme Specific Outcomes and Course Outcomes. Programme Outcomes (POs) and defining the expected outcome of the programme in terms of attitude, skills and knowledge of the students. The overall curriculum has been designed in line with the Mission and Vision of the University using top to down approach. Each course - theory, practical, field work/project based, workshop based, internship based is carefully designed keeping Programme Outcomes in mind. All courses are designed with outcomes centred on cognitive abilities namely remembering, understanding, applying, analysing, evaluating and creating. Apart from the domain-specific skills, learning outcomes at all levels ensure social responsiveness and ethics, as well as entrepreneurial skills so that students contribute proactively to

economic, environmental and social well-being of the nation. The Course Objectives (COs) are also aligned to the POs-PSOs philosophy. The syllabi of all courses have been designed with due consideration to macro-economic and social needs at large so as to apply the spirit of National Education Policy.

21.Distance education/online education:

Immediately after its establishment in 1970, the Himachal Pradesh University took a bold step towards proliferation of knowledge and democratization of educational opportunities by setting up a Directorate of Correspondence Courses in 1971. The Directorate of Correspondence Courses has now been rechristened as the International Centre for Distance Education and Open Learning (ICDEOL). ICDEOL is offering various Diploma, UG, PG and professional courses across different disciplines through distance mode and providing opportunities to the people across geographical boundaries. Due to Covid -19 pandemic, educational institutions in the country are increasingly involved in using the digital platforms for engaging classes, conducting conferences and meetings. Keeping aside the negative impact of lack of face to face learning, online education has broken the geographical barriers creating interaction of experts and students from distant geographies. Due to this pandemic educational institutions have paved the way of adopting hybrid mode of education combining online and offline resources. Due to the experience gained during the closure period of Covid-19, access to online resources by educators and students will not be a constraint anymore. Faculty members are encouraged to design and offer MOOC courses at Himachal Pradesh University which promotes the blended learning system. Himachal Pradesh University has successfully imparted content delivery in online mode i.e. through Google meet, Zoom, Whatsapp etc. during the Pandemic (COVID-19) and already prepared for the hybrid mode of teaching learning. The whole university campus is Wi-Fi enabled and smart classrooms are also available in the campus and hence there is no hindrance/obstacle in online education. The university is preparing to make available all such type of e-content material prepared by faculty members to all students through online mode to meet the future challenges.

CURRICULAR ASPECTS**1.1 - Curriculum Design and Development**

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which is reflected in Programme outcomes (POs), Programme Specific Outcomes(PSOs) and Course Outcomes(COs) of the Programmes offered by the University

Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which is reflected in Programme outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the Programmes offered by the University. Himachal Pradesh University strongly believes in imparting quality education which is need of the hour. Programmes offered by the University are designed in lines with the Mission and Vision of the University and curriculum is designed with a blend of foundation, core and vocational courses, leading the students to earn a gratifying career. The learning outcomes of the Programmes and courses are measured through outcome-based approach with an aim to equip the students with knowledge, skill, values and attitude. All stakeholders including, students, experts from industry and academia, alumni, faculty are involved in the review and feedback process to imply the cross-sectional relevance of the curricula ranging from local to global needs. While designing the curriculum guidelines issued by the statutory and regulatory bodies like UGC, AICTE, BCI etc are also kept in mind. Himachal Pradesh University has offered different programmes like MFA (Pahari Miniature Painting), MBA in rural development, diplomas in Bhoti & Tribal Studies, Engineering, Management, Political Science, Physical Education , diplomas in foreign languages (French, Russian, German) and Master Programmes in Yoga, English, Biotechnology, Environmental Science and many more taking into consideration the local, national, regional and global needs.

1.3 - Curriculum Enrichment**1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

Keeping in view the various crosscutting issues, HPU has already embedded impactful and relevant courses in the curriculum. In order to inculcate professional ethics courses like Organizational Behavior, Ethics and Corporate Social Responsibility, Professional Ethics and Professional Accounting, Indian Ethos & Values, Ethics

and Development, Ethical and legal Aspects and Ethical and legal Aspects are offered in different Programmes. In order to develop the right understanding of gender and gender diversity and to have a fair and productive working environment in the University, many courses including Women and Law, Gender and Environment, Women in Indian History, Contemporary India: Women and Empowerment, Population Dynamics and Gender Issues, Women Education are offered in various other Programmes. In order to inculcate human values, various courses including Human Rights Law, Democratic Awareness Through Legal Literacy, Human Rights, Bhagavad-Gita, Human Rights of Disadvantaged Groups, Woman, Child, Backward Classes, The ever increasing population and changing lifestyles are making the environmental problems more critical. So, it becomes moral responsibility higher educational institutions to sensitize students towards various environmental issues and sustainable development many courses like Disaster Management, Human Rights, Gender and Environment and many more are offered by the University.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organises special Programmes for advanced learners and slow learners

University assesses the learning levels of the students and have planned various student centric initiatives for advanced and slow learners. Our students belong to different socioeconomic backgrounds and in the class rooms it is a perfect blend of students from remote areas of Himachal Pradesh from different cultural and linguistic diversity. This background makes them different in terms of capability to understand, critically evaluate & associate with nuances of higher education. Communication and articulation of ideas too has been observed as a challenge with few students. University has a well-placed system to address these needs through its academic excellence program. For slow learners, special remedial lectures, consultation sessions with teachers & research scholars and buddy mentoring sessions are conducted to improve their performance. Advance learners: Advance learners are motivated to involve in the following activities to make best use of their potential: To write research papers, Organize co-curricular & extracurricular activities for class and organize extension activities. Departments are also taking coaching classes for preparation of NET/SET and other competitive examinations.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences

The world of academics has seen a gradual shift from traditional teacher centric learning process to the modern student centric processes where the primary focus is on involving the students in the learning process. In the traditional process teacher used to be the primary source of knowledge in the class room however, in the modern setup teacher serves more as a facilitator instead of instructor. Biotechnology department has included general seminars and tutorials in the time table so that the students are able to participate and present their idea which may be of great help to students in problem solving and enhanced learning by getting an insight about the recent methodology and technology. UILS has performed a vital role in enhancing Learning experiences of students at every stage. Institute has introduced numbers of activities for inculcating new and innovative ideas which are very beneficial for the overall development of the students. To facilitate practical exposure, Court visits to Distt courts as well as High Court, Forensic Lab visits and Jails visits were organized time to time along with interactive sessions. Regular Legal Aid Camps are also organized in the selected villages as approved by the State Legal Service Authorities.

2.3.2 - Teachers use ICT enabled tools including online resources for effective teaching and learning processes during the year

Today, it is essential for the students to learn and master the latest technologies in order to be corporate ready. As a consequence, teachers are combining technology with traditional modes of instruction to engage students in long term learning. University provides facilities of ICT learning tools such as LCD projectors, smart panels and interacting boards in the seminar room, conference hall and some selected laboratories, Wi-Fi enabled campus, internet facilities in the computer labs. Interactive, enquiry-based learning is facilitated by an excellent student-

computer ratio. Classrooms and seminar halls are equipped with Wi-Fi facility, computers, projectors, microphones, speakers, etc. Several webinars with local to global partners were conducted during this time period. Facility & ICT enabled Tools in the University includes smart class rooms, projectors, ICT Labs. Moreover, faculty used various online platforms including Google Class Room, GMeet, ZOOM, Cisco Webex and many more. Teachers have shared supporting and learning materials including books, notes, invitation etc in the whats app group of students. The institute provides facilities of ICT learning tools such as LCD projectors in the seminar room, conference hall and some selected laboratories, Wi-Fi enabled campus, internet facilities in the computer labs.

2.5.3 - IT integration and reforms in the examination procedures and processes (continuous internal assessment and end-semester assessment) have brought in considerable improvement in examination management system of the institution

The University has a well-developed automated examination system including student registration, release of hall tickets, result processing, verification and attestation of documents, etc. Examination Branch is completely automated involving Hall ticket Creation, Admit Card, attendance sheet, Examination Form Approval, Date Sheet Generation, Secrecy Code Generation, Student Marks Filling with Secrecy code and result Processing Impact. The automation of examination process has expedited and made the examination management system more effective, convenient and transparent from the point of view of students, evaluators and the examination department. Circulars for exam form filling and time tables are generated through the system with students making online payments for backlog examinations and requests for revaluation. Appointments of senior supervisors, vigilance squad, paper setters, re-evaluators and term end assessment as well as labels and templates for question papers, is automated. Revaluation and backlog results are also auto generated. Finally, the system generates a list of candidates eligible for the award of degree for each programme. This auto-linking of processes results in enhanced output with bare minimum manual work, errorless functioning, quick generation of reports/documents, secure control over processes, and ability to transition seamlessly into online (synchronous and asynchronous) assessments. Malpractices and Lapses Committee investigates lapses committed by the examination staff and faculties

2.6 - Student Performance and Learning Outcomes

2.6.1 - The institution has stated learning outcomes (generic and programme specific)/graduate attributes which are integrated into the assessment process and widely publicized through the website and other documents

Himachal Pradesh University strongly feels that Learning Outcomes based curriculum, not only allows flexibility but also opens wide scope for innovation in the programme design and development of syllabus, processes of teaching, learning and evaluation. Every course has well defined Course outcomes (CO) and Learning outcomes (LO) in line with University's mission and vision. COs as well as POs have been designed on the basis of Blooms Taxonomy. The outcomes are measurable, comprehensive and connected with the skills and knowledge that are expected to be acquired by the students after completing the program. The Program Educational Objectives (PEOs) are focused on the interest of the stakeholders and elucidate the professional objectives of the student related to specific program. POs and PSOs too are synchronized with PEOs ensuring the attainment of main objectives that learners are expected to acquire after completion of the program. Programme/course specific outcomes and learning outcomes have been designed in line with the aims & objectives of the course curriculum and its graduate attributes keeping in mind desired competencies expected from the programme and the needs of various stakeholders. The team also ensured to map the program outcomes with UGC Guidelines. Learning Outcomes of the university in general includes Knowledge, Problem analysis, Analytical Reasoning, Environment and sustainability, Ethical, Individual and team work and Life-long learning goals. The Programs of the University have imbibed the Learning outcomes focusing on knowledge, Communication Skills, Critical Thinking, Problem Solving, Analytical Reasoning, Research related Skills, Competency etc.

2.6.2 - Attainment of Programme outcomes, Programme specific outcomes and course outcomes are evaluated by the institution during the year

HPU has a well-defined process to measure the attainment of POs and PSOs through the curriculum. We adopt various direct and indirect assessment methods to measure the attainment of Program Outcomes and Program Specific Outcomes. The Program Outcomes are achieved through curriculum which offers a number of compulsory and elective courses. Each course has defined Course Outcomes that are mapped to the Program Outcomes based on their mutual correlation. Various direct and indirect assessment tools are used to evaluate the course outcomes of every single subject. In this method of outcome based learning different course outcomes together lead to the program outcomes. Feedback from different stakeholders (Students, Teachers, parents, Alumni and Recruiters) is taken on regular basis. The steps involved in PO assessment process are as follows: Step 1: Course outcomes are assessed through internal examinations and University Examination. The analysis is interpreted to find the level of attainment of COs and compared with predefined targets. Step 2: The average of results of CO attainment of all the courses in a semester mapping to a particular PO and PSO gives direct attainment of PO and PSO and is compared with pre- defined target of PO and PSO. Step 3: For indirect assessments, various survey questionnaires are circulated among students, alumni, and employers. The surveys are assessed and evaluated to determine the strength of attainment level of POs/PSOs Step 4: Over all PO attainment is calculated as 80% of direct assessment + 20% of indirect assessment.

RESEARCH, INNOVATIONS AND EXTENSION

3.1 - Promotion of Research and Facilities

3.1.1 - The institution Research facilities are frequently updated and there is well defined policy for promotion of research which is uploaded on the institutional website and implemented

Himachal Pradesh University is committed to transform lives and to serve the society, through its pursuit of excellence in research and innovation. In its continuous efforts University is providing state-of-the-art infrastructure and research facilities to its faculty and research scholars to excel in research and academics. The University has a well-stated Research Promotion Policies (1.0 & 1.1) and is available at Himachal Pradesh University website. The University is also providing seed money / research grant to its faculty members to strengthen its research infrastructure in terms of equipments and consumables. The University also provides the platform and motivates its faculty members to undertake projects funded by various Ministries/Departments of Central and State Governments. Various departments are also collaborating with external agencies to seek guidance and financial support to carry out the research work. Consequently, grants amounting to a total of Rs. 1,33,99,466 have been granted for different research projects by different funding agencies to different faculty members during the year 2022-23 and research infrastructure is further been strengthened in the University. Besides, in order to promote research climate, the University has recently started awarding the teacher under 'Best Researcher category' on occasion of Foundation Day of the University.

3.3 - Innovation Ecosystem

3.3.1 - Institution has created an eco-system for innovations including Incubation centre and other initiatives for creation and transfer of knowledge

University has created an eco-system for innovations including Incubation centre and other initiatives for creation and transfer of knowledge. Biotechnology Incubator Centre [BIC] has been granted to the University by the HP State Industries few years back and is providing facilities/ infrastructure, training and incubation in the Centre. Since its inception the BIC has many incubates and a few of these have entrepreneured into small start-ups. The Institute of Vocational Studies encourages its students to learn the logistics of starting their own business in Travel and Tourism. There are several students now who are successfully running their own travel companies

in India and abroad so we specially invite them to the university to meet fresh students and guide them to start their businesses in which they not only train them in set up of business unit, arrangements of funds and marketing strategies. The department of Physics envisaged the concept of Centre Science Workshop for providing modern research facilities for promoting the cause of research in various disciplines as Materials Science, Chemistry and Bio Sciences. The Evening Studies department has organized various webinars on Wealth Awareness, Research Methodology, National Intellectual Property Awareness Mission program, workshop on Skill Development and Research Methodology.

3.5 - Consultancy

3.5.1 - Institution has a policy on consultancy including revenue sharing between the institution and the individual and encourages its faculty to undertake consultancy

Himachal Pradesh University has a precise policy on Consultancy which encourages the faculty members to offer consultancy services to Government and Non-Government Organizations. As per this Consultancy Policy if a faculty member receives a project or consultancy work from an external agency (government/nongovernment) through the University, the remuneration received in lieu thereof is shared between the individual and the University in the ratio 2:1. The faculty from various departments of the University is engaged in providing Consultancy services to various Government and Non-Government organizations. Prof. Him Chatterjee, a senior faculty member in the Department of Visual Arts has been rendering his services to many Government and private agencies across India. During the year 2022-23 University has generated revenue of an amount of Rs. 2.03 lac from its 3 consultancy projects. All the faculty members are motivated to do consultancy services.

3.6 - Extension Activities

3.6.1 - Extension activities in the neighbourhood community in terms of impact and sensitising students to social issues and holistic development during the year

The University is committed in its mission to inculcate highest human values in its learners and develop them into responsible citizens of the nation. Several extension activities are being organized during the year 2022-23. To enhance the mathematical skills of young learners, thereby contributing to their academic development, a lecture by Dr. Pushap Lata Sharma department of Mathematics was delivered on the topic "How to overcome the Mathematics Phobia" in Senior Secondary School, Summer-Hill, Shimla. Similarly a Tree plantation camp was organized by Department of Mathematics in the neighbourhood area. Department of Economics also organised various activities including plantation drive, Azadi ka Amrit Mahotsav, swatchata drive in the vicinity and the neighbourhood of the University which is also mentioned in the time table. Department of Hindi also organised a tree plantation drive near Summer Hill Railway Station of University. The department of sociology and social work has undertaken the extension activity in its neighbouring villages or near camp areas for creating awareness of various social issues propagating national campaign.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The institution has adequate facilities for teaching - learning. viz., classrooms, laboratories, computing equipment, etc.

Himachal Pradesh University is situated in the Summer Hill area of Shimla city and occupies an area of around 200 acres which has been designed to reflect a distinctive architectural style. Beautiful fountains, perennial plants and seasonal flowers evenly spread all over the campus are natural stress busters. Over the past 50 years, the university has developed state of the art facilities for teaching-learning. viz., classrooms, laboratories and computing equipment. There are 172 classrooms and seminar halls at the university. The classrooms are designed for a capacity of 40 to 70 students, whereas the seminar halls can accommodate up to 120 students. The university also has an auditorium with a capacity of 500 seats. As a part of the computing facility, there are sufficient computers which are distributed over the computer centre and laboratories at various Departments and Institutes. There are 72 academic labs, of which 30 labs are allocated for computing and 42 labs for research. There is a scientific informatics centre (USIC) and separate sophisticated instrumentation. A Biotechnology Incubator Centre [Funded by HP Government] was established in the year established in 1995 with initial support from the Department of Biotechnology, Govt. of India.

File Description	Documents

4.1.2 - The institution has adequate facilities for cultural activities, yoga, games (indoor, outdoor) and sports. (gymnasium, yoga centre, auditorium, etc.)

HPU has established state of the art facilities for organizing cultural activities, yoga, games (indoor, outdoor) and sports. (Gymnasium, yoga centre, auditorium, etc.). The university's auditorium has a seating capacity of 550 and is fully equipped with all modern gadgetry and amenities necessary for providing a suitable platform for the enhancement of creativity, skills and personality development of students along with imparting a regional cultural legacy. The institution is committed to creating a balanced atmosphere for academic, cultural and sports activities, thereby ensuring the overall development of the students. The University has a sports infrastructure having a carpet area of 8472.37 square meters for both indoor and outdoor sports. Various intramurals and intercollege level sports competition are organized to develop team spirit and interpersonal relationship among students. The department has adequate facilities for Athletics, Basketball, Volleyball, Handball, Kabaddi, Cricket, Badminton, Football, Table-Tennis, Judo, Wrestling and weight lifting. Various Sports Competitions and Youth Festivals at intercollege and inter-university levels are organized to develop team spirit and interpersonal relationships among students. Meritorious students are honoured with medals, trophies and certificates. The sports facilities for games (indoor, outdoor) are available in the Campus for students. University also provides Yoga facilities as per the minimum specified requirement laid down by the statutory bodies. The Yoga Department has a dedicated fully carpeted Yoga Hall of 29 x 22 square feet. The university has a separate gymnasium facility for male and female students.

4.1.3 - Availability of general campus facilities and overall ambience

Himachal Pradesh University has an area of around 200 acres with an infrastructure consisting of a built-up area of 88,713 sq.metres. Being a hilly terrain, the University is spread in a noncontagious land of 5 different geographic locations, wherein 4 are surrounding in and around Shimla and 1 at Dharamshala. The university has 9

multi- storeyed academic Blocks, 5 Administrative Blocks, 1 auditorium and residential facilities for teaching and nonteaching staff. The administrative block houses the Registrar's office, Controller of Examination, Enquiry office, Accounts and Finance Office. The Vice-Chancellor Office, Establishment section, Dean College Development Council and IQAC offices are situated in a separate building. Each Department/Institute has its own Administrative and Chairman office. There are 3 Hostel Blocks (with the capacity of 1058 seats for girls in 10 hostels and 593 seats for boys in 4 hostels). The number of apartments for the teaching and non-teaching staff is 82 and 108 respectively. There is a guest house with a total accommodation of 26 rooms along with 01 VIP suit. The University has developed infrastructure of Lift, Ramps etc. in all the buildings for specially-abled students in adherence to the guidelines of Central Govt./UGC.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS) and has digitisation facility

The university has a dedicated Central library which was established in 1970 & is housed in a uniquely designed building based on the design of Aryabhata (The first Indian Satellite). Besides this, there are 7 independent full-fledged libraries at every institute of the university (UIT, UILS, UCBS, ITS, IVS, Evening College, and Regional Centre Dharmshala). The various departments of the university also have their own individual subject-specific libraries. The collection has grown from 15000 to more than 235570 books and journals. The learning resources and services of the library are managed through the Integrated Library Management System (ILMS) using the "KOHA" Software. The digitization of the Central

Library allows a student or research scholar to read older or unique documents without damaging the original. An active subscription to DELNET enables users to access e-resources (E-journals, E-Books) through a network of 7471 libraries. "KOHA" used for automating all the services of the library is the most advanced open-source Integrated Library Management System (ILMS). KOHA is a web-based ILMS, with a SQL database (MySQL) backend, with cataloging data stored in MARC and accessible via Z39.50 server.

4.3.2 - Institution has an IT policy, makes appropriate budgetary provision and updates its IT facilities including Wi-Fi facility

Himachal Pradesh University has well established ERP System- Integrated University Management System (IUMS) established in 2016. After the Implementation of IUMS, the University effectively manages the student's entire academic cycle beginning from Pre-Admission to graduation taking them through Admission, Academics, Fee Management, Examination, and Results Processing. University has also implemented an employee/student portal that has given great ease to students & employees in their normal day-to-day activities and interaction with the university. Now, Students fill out their exams forms, etc. through the Online Portal, make payments using the university Payment Gateway and also get various notifications about fees, exams & results on their Portal. Employees generate their salary slips and advance details etc online through Employee Portal. HPU has fully automated the entire Finance & HR practices of the university like the Recruitment Portal. University has also its own IT team who is looking after wifi and other connectivity related issues. It is also certified that the National Knowledge Network has been providing 1Gbps connectivity through BSNL.

5.3.2 - Presence of Student Council and its activities for institutional development and student welfare

The University also has a Students' Council which comprises the Vice Chancellor as Chair, Student President and Secretary of the University Students' Central Association (SCA), President of Regional Centre SCA, Presidents of affiliated colleges, in addition to representatives based on merit in academics, sports and cultural activities. The Students Council makes recommendations to the Executive and Academic Councils and participates in all important decisions which concern the students. Student representatives also participate in important committees such as IQAC and Grievance Cell. The Students' Central Association (SCA) is constituted by the process of nominations based on merit since 2014, before which direct elections were held. SCA is constituted for each new Academic Session. Main function of SCA is to ensure the maintenance of proper academic atmosphere and orderliness amongst the students and to promote corporate social and cultural life of students and to train them in their duties, responsibilities and rights of citizenship and many more.

The Dean Students' Welfare functions as the Returning Officer for the elections. The Dean Students' Welfare is also Principal Advisor to the Students' Central Association.

5.4.1 - The Alumni Association/Chapters (registered and functional) contributes significantly to the development of the institution through financial and other support services during the year

Himachal Pradesh University Alumni Association (HPUAA) was founded on 23 July 2012 to strengthen the legacy of bonding and friendship fostered by them at the University and to honour the venerable tradition of giving back to one's alma mater as also to society at large. In consonance with its origin and purpose, HPUAA chose the motto "Satvadhina hi Sidhaya", "Excellence through Diligence". The Association is registered under the HP Society Act-2006, with registration number No 591/2012. Himachal Pradesh University has produced a galaxy of distinguished alumni who have excelled in their respective fields. HPUAA is making earnest efforts to expand its reach to every corner of the globe through a vibrant presence on social media. It has also started chapters within and outside the state. The association has its own webpage (<https://hpuniv.ac.in/university-detail/home.php?hpuniversity-alumni>) and all the events of the Alumni Association are regularly updated on this webpage. The Objectives of Himachal Pradesh University Alumni Association is to Strengthen Relations between the University and Alumni. During 2022-23 HPUAA received Rs. 10,39,278 as contribution amount.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The institution has a clearly stated vision and mission which are reflected in its academic and administrative governance

The institution has clearly articulated vision and mission statements which are reflected in its academic and administrative governance systems and also communicated to all stakeholders. All activities undertaken by the university are aligned to its vision and mission and are executed through effective academic and administrative governance interventions as shown below.

Vision:

"To enable a man to realize his true nature, harness his talent for the longer-lasting benefit of the human race by engaging people from all walks of life across the range of its academic and research activities and build sustainable societies taking into account the great social and environmental issues confronting the humanity and disseminate advance knowledge, wisdom and understanding by teaching and research".

Mission:

To emerge as a globally acclaimed Multidisciplinary Education and Research University, a leader among the first twenty institutions of the country, aiming at attaining the utmost global standards in imparting quality education; cultivating the spirit of free inquiry; acting as a repository of information and instrument of knowledge dissemination and creation; fostering research skills and analytical thinking, producing individuals for a rational humane society committed to preserving the traditions and values of Indian culture and heritage.

File Description	Documents

6.1.2 - The effective leadership is reflected in various institutional practices such as decentralization and participative management

Himachal Pradesh University promotes and maintains decentralization through appropriate delegation of authority at various levels. It has a hierarchy of administrators for ensuring perfection in the processes and procedures in the institutions. Different university officers including Dean of Studies, Dean Planning and Teacher's Matters, Dean Student Welfare and Dean College Development Council, facilitate the journey towards academic and administrative excellence. HPU achieves effective leadership in its Academic and administrative matters by appropriate delegation of responsibilities for implementation and monitoring of various policies, regulations & guidelines at various levels. Except for departmental committees all other bodies have due representation of external and internal members aptly bridging the gap between industry and academia.

List of Committees:

Internal Quality Assurance Cell

Anti- Ragging committee

Internal Complaints Committee Disciplinary Committee

Research Degree Committee

Standing Committee

Ethics Committee

Academic Committee

Departmental:

Admission Committee

6.2 - Strategy Development and Deployment**6.2.1 - The institutional Strategic plan is effectively deployed**

The Strategic Plan of the University builds on the foundation of quality and value-based education as the basis for excellence in education. HPU prepared perspective plan for a period of 10 years. In the strategic plan 2030, the HPU had laid stress on some vital performance indicators like research output, internationalization, new and advanced programs, establishment of Centres of Excellence, Green Campus, Rankings and accreditation, etc. It was observed that most of the domains of projected plan were achieved and hence to accelerate the future growth of the Institution a new perspective plan has been adopted. The strategic plan 2025 focuses on strengthening the already identified focus areas and further some new key areas have been identified in line with the Vision of the HPU.

The series of steps to be undertaken for the implementation of the strategic plan, keeping in mind our core values which steer us through the decision-making process, have also been listed in the plan. The deployment of the strategic plan is ensured through our robust governance structure, highly qualified human resources and state-of-the-art infrastructure. It is ensured that the set targets are achieved through accountability process comprising of review, evaluation, reporting and, planning again, where ever required.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The Vice-Chancellor carries out academic administration and management of the HPU through well-established bodies. Policies & administrative setup: The apex body finalising the policies is Executive Council. Every proposal starts at departmental level with

departmental council meeting and is granted final approval by Executive Council. Code of Conduct:

<https://hpuniv.ac.in/upload/624bdad343fdbcodhb.pdf>

Administrative setup: The University has a well-defined organizational structure lends itself to nourishing institutional capacity and education effectiveness through involvement of stakeholders in various Committees and has been explained in the organogram (Please refer the uploaded documents) Appointment and service rules: Conditions of service and conduct rules, welfare and other HR policies for Employees including teaching as well as non-teaching staff of the university is mentioned under Chapter XXXV of THE FIRST ORDINANCES OF HPU Vol II, page number 78.

https://hpuniv.ac.in/upload/uploadfiles/files/3%20Vol-II_18_12_2015.pdf

Process: The Powers and Functions of each body are well defined to ensure administrative decentralization. The meetings of various bodies/committees are held as per provisions of the MOA and Rules made there under UGC regulations. The effectiveness of various Bodies/Committees is evident from the minutes of the meetings/resolutions adopted by the concerned Bodies which are prepared promptly after the meetings and circulated amongst all the members to ensure proper recording.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

HPU is a state University and thrives on government funding. As per

the provision of the Act and Statutes of the H.P. University, apart from government funding, the major revenue generation takes place through Self-Financing/NRI Schemes. It relates to the Budget Receipts and Expenditure in respect of Departments who are running various courses under Self Financing/NRI schemes.

The departments use the money for following purposes:

- Payment of salary to teaching, non-teaching staff and giving honorarium to guest faculty
- DS (Amalgamated Fund)
- Kerosene Heater Charges
- Repair and purchase of equipment
- Electricity bill
- TA/DA to staff
- Telephone Charges
- Viva Voce
- Library News Paper Bill
- Printing Charges
- Stationary AMC/insurance
- Website etc

In order to utilise the resources optimally, majority purchase is done centrally. The optimization is also achieved by making all purchases through a central purchase committee.

6.4.4 - Institution conducts internal and external financial audits regularly

University has an established three tier system of audit:

- FO and his team (Internal Audit)
- CA (External Audit)
- State office of AG (External Audit)

The role of Internal Audit is to provide professional advice to all the levels of the administration and assist the University in continuously improving the efficiency and effectiveness of the operations. Once internal audit is done, the external approved CA conducts the Audit, Final audit is done by State Office of AG. Once final audit is done the annual report of accounts is published in the form of a report. Finance Officer must have the following minimum qualifications: Chartered Accountant of five years' standing or Experience as an Accounts Officer in the office of the Comptroller and Auditor General of India for at least ten years or Member of the Indian Audit and Accounts Service with five years' experience or Ten years' experience of financial administration in the Central or a State Government or in an autonomous corporation or public undertaking or Five years' experience working as Deputy Registrar in a University. (Chapter XXVII OFFICERS OF THE UNIVERSITY page 22

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes by constantly reviewing the teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals

Since the inception of IQAC (2003), it has been very active in improving the quality of teaching learning process and various methodologies were adopted for achieving the learning outcomes. Departments are motivated to involve various stakeholders (Students, Teachers, Parents, Recruiters and Alumni) to improve the curriculum and other areas so as to achieve the goal of quality education. With the inputs of IQAC various Divisions like Examination, HR (Establishment) etc were also automated by introducing various modules for students, teachers and staff members. With efforts and orientation of IQAC, HPU has published 4 patents and 2 patents are also been granted in the name of HPU. During 2022-23 1.33 Cr grant was also received from different funding agencies for various projects. IQAC is proactive and University is participating in NIRF ranking and trying to improve its rank. Feedback from various stakeholders is also taken every year and Student Satisfaction Survey (SSS) is also conducted regularly in order to take feedback from students and consistent efforts are also been made to work on the weak areas. Departments are also been motivated regularly to organise various conferences, seminars and workshops to acquaint students and faculty with the recent areas of research.

6.5.3 - Incremental improvements made for the preceding during the year with regard to quality (in case of first cycle) Post accreditation quality initiatives(second and subsequent cycles)

After the 4th Cycle University emphasised more on strengthening the Library and Laboratory resources. During the session expenditure of Rs.86,12,269 and Rs 1,32,85,667 was made in order to strengthen the Library and Laboratory resources. Moreover expenditure of Rs. 99089929 was also made on creating Capital assets. 7 Funded Projects of worth Rs. 2 Crore and 43 lac was also sanctioned to different departments during the year. Various seminars and conferences were also organised during the year and approx. Rs. 3071722 were spent on the same. Due to all these initiatives our students excelled in placements and National Competitive Exams. A total of 330 students were placed and 143 students have cleared National Competitive Exams during the year. Two patents were granted and four patents published during the year and revenue of Rs. 203550 was also generated through 3.consultancy Projects. Efforts are also been made in order to strengthen the central placement cell.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Himachal Pradesh University understands that gender equity will only be achieved when gender is addressed in relation to systemic, intersectional and unconscious discrimination. In order to develop the right understanding of gender and gender diversity and to have a fair and productive working environment in the University following initiatives have been taken:

1. Courses focussed on women issue like Women and Law, Gender and Environment, Women in Indian History, Contemporary India: Women and Empowerment, Population Dynamics and Gender Issues, Women Education are offered in various Programmes
2. There are 9 dedicated Girls hostels with proper security arrangements
3. A dedicated centre for Women Studies in the campus organising various activities on the issues related to gender diversity

4. Separate common rooms for boys and girls in each of the department
5. The University has a well decorated and comfortable Crèche catering to the needs of the children of the University employees
6. Two seats are reserved for e single girl child in each department
7. Full tuition fee waiver for female students
8. Various conferences, seminars and workshops are being organised
9. Celebration of International Women Day every year
10. A special module on Gender sensitization has been included in the syllabus for MA (JMC).

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Himachal Pradesh University has taken various initiatives for managing different types of wastes. State Government also has established a department called Urban Local Body (ULB) for solid waste management and University has signed Memorandum of understanding with the above for the campus solid waste management. Inside the University campus, hostels, teaching and non-teaching residential colonies, the solid waste management is collected through different coloured waste bins (blue bins for recyclable waste like paper, cartons, metallic items, and the red bins are fixed for the non-degradable waste like glass, blades, etc., then the same is carried by the vehicles to treatment plant. The university has agreement with Municipal Corporation of Shimla, all our liquid waste is transferred through pipe line to Sewerage Treatment Plants (STP) operated by the government. University also has a clear-cut policy for write off of various electronic and other type of waste.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities (within a maximum of 200 words)

In Himachal Pradesh University, we have students from different parts of the state with different economic backgrounds. We have few

international students also enrolled in different programmes. In the campus several cultural functions are organised by students of different regions and languages. To preserve identity and culture of indigenous tribes of the state, we have a dedicated institute exclusively looking after the tribal studies with one diploma course. This institute of tribal studies was serving as prestigious "Tribal Research Institute" of Ministry of Tribal Affairs, Government of India. University is also running various diploma and certification courses in regional languages and a separate Centres/ Departments are created for the same (Department Buddhist Studies). We observe holiday on days of religious importance of all religions (as declared by the state Govt.) We offer reserved seats for Kashmiri migrants, former soldiers, economically backward sections, schedule cast and schedule tribes, single girl child etc. Hence classrooms are finally become amalgamation of identities and representations from diverse backgrounds. There are several cultural events that University organises every year where local languages and dialects are used. Himachal Pradesh has a rich folk in its diverse dialects.

7.1.9 - Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens:

HPU organises different activities and events to sensitize students and employees of the university towards the values, rights, duties and responsibilities of citizens. Some important events are listed as under:

Induction programmes are conducted every year after admission of the students to make the student conversant with the code of ethics, human values, rights, duties and responsibilities as a citizen of India. The Department of Public Administration to fulfil its constitutional obligations and sensitize students and employees plays a vital role and has constituted Eco Club, Red Ribbon Club and Consumer Club to keep itself engaged in activities of community participation, dialogues, discussions and awareness programs. University Institute of Legal Studies being a professional institute of law has always promoted the implementation of constitutional rights and duties. In B.A.LL.B (Hons.) programme, there are two compulsory papers on constitutional law. Apart from this, the programme includes papers on Human Rights, International Humanitarian Law, and Professional Ethics which sensitize the

students about their constitutional obligations and responsibilities towards the nation.

7.1.10 - The Institution has a prescribed code of conduct for students, teachers, administrators and other staff and conducts periodic programmes in this regard. The Code of Conduct is displayed on the website There is a committee to monitor adherence to the Code of Conduct Institution organizes professional ethics programmes for students, teachers, administrators and other staff Annual awareness programmes on Code of Conduct are organized

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Himachal Pradesh University celebrates all national and international commemorative days with active participation of students, teachers and other employees. These celebrations keep us connected with our roots, heritage and glorious past and encourages the academic fraternity to be focused in designing a better future for the nation. Few of the events we celebrate in the university are as under:

National days are celebrated in university campus for sensitization of students and employees of the institution to constitutional obligations. International Biodiversity Day was celebrated on 22 May 2022 by the Department of Bio-Sciences in Manali by exploring the flora and fauna of Manali. Also, department organised National Conference on "Role of Science and Technology in Environmental Conservation and Sustainable Development on September 23-24, 2022. The Environmental Science department has organized one day programme of Jan Bhagidari (public participation) activities to commemorate India's G20 presidency on 21. June. 2023. Public Administration department organised National Unity Day on 31st Oct, 2022 and also celebrated. International Women's Day on 7th March, 2023. Department of Geography celebrated Earth Day, Ozone Day etc. Department of Défense and Strategic studies organised a Special Lecture on Career Opportunities in Defence by Indian Air Force in July 2022.

7.2 - Best Practices

7.2.1 - Describe one best practice successfully implemented by the Institution as per NAAC format provided in the Manual

The "????? ???? ???? ??????????" campaign, led by the Education Department of HPU, is a dynamic initiative with five key objectives. Firstly, it encourages "Student-Led Engagement" by motivating students to actively participate in community development initiatives during holidays. The campaign addresses "Holistic Impact Areas" such as cleanliness, education, tree plantation, adult education, and infrastructure improvement, fostering comprehensive rural development. Thirdly, it instils a sense of "Civic Responsibility" in students, nurturing pride and commitment to the well-being of their villages. "Community Collaboration" is ensured through regular forums, promoting a collaborative approach to address specific needs. Lastly, the campaign focuses on "Leadership Development" through mentorship programs, encouraging students to take on key roles in organizing and implementing campaigns. In practice, students undergo training to lead "Student-Led Engagement" initiatives, addressing local needs during holidays. Targeted campaigns cover "Holistic Impact Areas," bringing tangible improvements to villages. "Civic Responsibility" is fostered through community engagement, while "Community Collaboration" is enhanced through regular forums and joint planning. The outcomes include active student participation, tangible improvements in villages, a heightened sense of civic responsibility, strengthened community collaboration, and the development of strong leadership skills among students, ultimately leading to empowered student leaders and sustainable village development.

7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

During the academic session 2022-23 University emphasised more on strengthening the Library and Laboratory resources. During the session expenditure of Rs.86,12,269 and Rs 1,32,85,667 was made in order to strengthen the Library and Laboratory resources. Moreover expenditure of Rs. 99089929 was also made on creating Capital assets. 7 Funded Projects of worth Rs. 243 lakh was also sanctioned to different departments during the year. Various seminars and

conferences were also organised during the year and approx. Rs. 3071722 were spent on the same. Due to all these initiatives our students excelled in placements and National Competitive Exams. A total of 330 students were placed and 143 students have cleared National Competitive Exams during the year. Two patents were granted and four patents published during the year and revenue of Rs. 203550 was also generated through 3.consultancy Projects.

7.3.2 - Plan of action for the next academic year

- To adopt 4 year under graduate curriculum framework
- To register all students in ABCD IDs and
- To design and offer exhaustive list of Value addition courses, Skill enhancement courses, Add on courses
- To strengthen IQAC Cell and appointing Assistant Directors and Dy.Directors in IQAC
- To seek more funding from National and International Agencies
- To strengthen collaboration activities with Industries and other sectors
