Online Education

| | | | |
|---|---|--|---|
| 1. Does all programs/courses were completed on time. | Yes | | |
| 2. Measures taken to complete the syllabus of courses and programs. | <p>As Covid-19 had hit the entire world with different manners and fashions including educational institutions almost from the beginning of the year 2020. Himachal Pradesh University remained closed following the Government rules of lockdown till the end of August in 2021 and during this period different modes of communication like G-Meet, G-Class Room, and many more methods were adopted to cover up the syllabus and students were also provided the teaching materials, initially not only to keep them connected with their syllabus but also to reduce their stress level by keeping them engaged. Himachal Pradesh University initially started making department-wise WhatsApp groups starting from May 2020 through which the students were taken on one common platform and the soft interactions were started. Later the departments started conducting lectures on WhatsApp which was further improved through different other channels including a YouTube channel to supply presentations and e-content. This new pattern of interaction was not only liked by the students but the faculty members have also moved for different experiments to improve the quality of online teaching at their own level.</p> <p>IQAC has coordinated with all the teaching departments of the University and suggested to develop mechanism for online teaching which we initially started with our own mobile phones and gradually we adopted Google meet/WebEx and many other platforms. For more than a month, all the chairpersons and department coordinators have shared their valuable experiences, new innovations and techniques to strengthen online education. This knowledge-sharing process was undertaken again initially on a WhatsApp group created by Internal Quality Assurance Cell (IQAC) and later the discussions were carried out on Google Meet. This knowledge sharing remained very fruitful, especially both for the faculty members with less technology awareness and for the trained too to know how better presentations can be made for online teaching and how more attention of students can be ensured for online teaching.</p> <p>It was a challenge to ensure our reach far-off places of Himachal Pradesh which is a mountain state has its own challenges and several places still don't ensure good speed internet services. In these cases, we continued sending them presentations, lectures and some teaching material on their mobile phones to they stay in touch with their academic progress. Although we have got enough months in 2021 to call the students back to their classrooms but we are still imparting online education to the students and developing studios and other electronic infrastructure to improve the quality of online teaching in the university.</p> <p>On the later part of September 2021, Himachal Pradesh University returned back to real classroom teaching and students were really excited with new energy and passion. Faculty and students worked hard together and the syllabus was completed well in time. University also tried their best to conduct the exams well in time and anyhow we could complete the examination work by August 2022 end which was delayed by 2 Months.</p> | | |
| 3. The period of delay in completion of syllabus (in months). | 0 | | |
| 4. The period of delay in conducting exams (in months). | 2 | | |
| Portal Name | No. of students offered online courses which have credit transferred to transcript | Total no. of online courses which have credit transferred to the transcript | Total no. of credits transferred to transcript |
| Swayam | 0 | 0 | 0 |
| 5. No. of courses developed and available online on Swayam platform by your institution faculty | 0 | | |

Financial Resources: Utilised Amount for the Capital expenditure for previous 3 years
