

REPORT ON EDUCATION TOUR TO INDIAN INSTITUTE OF ADVANCED STUDIES LIBRARY

Date: 21.03.2024

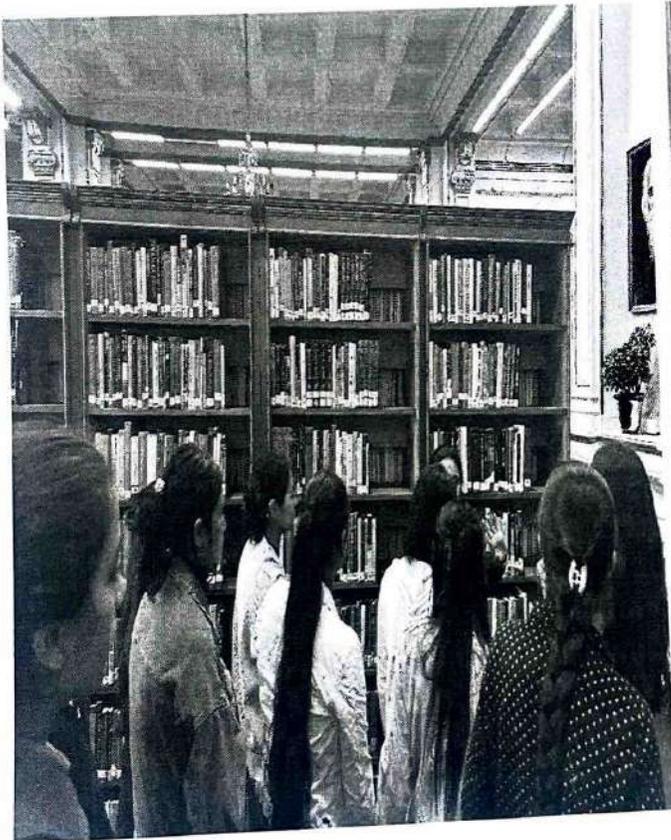

The Department of Library and Information Science, HPU organized an educational tour to the library of the Indian Institute of Advanced Studies (IIAS) on 21st March 2024. The tour aimed to provide students from the B.Lib.I.Sc and M.Lib.I.Sc programs with practical insights into library operations and management, as well as opportunities to interact with professionals in the field.

A total of 22 students participated in the tour, comprising 15 students from the B.Lib.I.Sc program and 7 students from the M.Lib.I.Sc program, along with faculty members from the department.

Upon arriving at the IIAS library, the students were warmly welcomed by the staff. The tour commenced with a guided walkthrough of different sections of the library, including the circulation section, acquisition section, periodical section, and the reading room. In each section, employees of the library provided detailed explanations and demonstrations of the processes and functions carried out, giving students a firsthand experience of library operations.

One of the highlights of the tour was the interaction with the Librarian, Sh. Prem Chand, who shared valuable insights and motivated the students regarding the field of library and information science. His guidance and encouragement served to inspire students and deepen their understanding of the profession.

Throughout the visit, students actively engaged with the staff, asking questions and seeking clarification on various aspects of library management and services. The staff, in turn, were welcoming and forthcoming in their responses, fostering a conducive learning environment for the students.

The educational tour proved to be an enriching and rewarding experience for all participants. It provided students with valuable exposure to real-world library practices and offered them a glimpse into the diverse roles and responsibilities within the profession. The tour also served as a platform for networking and building connections with professionals in the field.

In conclusion, the education tour to the Indian Institute of Advanced Studies Library was a resounding success, contributing to the academic and professional development of the students. The Department of Library and Information Science expresses its gratitude to the IAS library staff for their hospitality and invaluable support in making the tour a memorable and insightful experience.
