Its Alumni include Judges of High Courts, Union Cabinet Ministers, State Cabinet Ministers, Senior Bureaucrats, Police Officers, officers of subordinate judiciary, law officers, civil servants and members of the legal profession. Law graduates from this Faculty are serving all over the country in the lower Courts, High Courts and Supreme Court.

About the Topic:

Crime or criminal act can be stated as an act of misdemeanor, violating or breaching the laws, which makes the offender or wrongdoer liable to the punishment by the governing law. Criminal behaviour covers a wide range of anti-social activities ranging from acts of violence i.e. killing of people, robbery, theft, sexual offence, property related offences, forgery, cheating and drugging peddling etc. Criminal acts of such nature falls outside the range of social acceptance and anyone culpable of such offence and found guilty has to face the punishments.

The term 'Investigation' is a systematic enquiry, an examination related to some incidents and situations for the purpose of tracing required information. Thus investigation involves whole examination and scrutiny of facts, traces of information for complete investigation. An investigator is any person who is involved in the whole enquiry or process of investigation.

What is crime scene investigation?

Crime Scene Investigation (CSI) is the meticulous process of collecting, documenting, preserving, and analyzing Crime scene investigation is the meticulous process of discovering, collecting, and identifying evidence related to a criminal act. It's a systematic approach involving documenting, processing, and interpreting physical evidence from the alleged crime scene to uncover the truth. The ultimate goal is to identify and apprehend the guilty party, presenting them before the law.

A critical step in scientific investigation is the initial response to a crime scene. Specialists are tasked with securing, collecting, and preserving evidence, which is then transferred to a crime laboratory for further analysis and confirmation.
