It has been observed that some students are still bearing organization badges within the campus which is contrary to the instructions issued earlier in this regard vide this office notice of even number dated 26th March, 2019 and the Hon'ble Vice-Chancellor has taken a very serious note of this. It is, therefore, once again emphasized upon all the students/students organizations that they should strictly obey the instructions already issued in this regard in letter and spirit failing which strict disciplinary action shall be initiated against the defaulters. Further, all the Chairmen/Chairpersons are directed to instruct the students of their respective department to adhere to the above instructions issued in this regard in letter and spirit. If any one found bearing badges of any students' organization, the same may be reported to the undersigned immediately for further disciplinary action to maintain peace and academic atmosphere in the University campus.
