It has been brought to the notice of the higher authorities by someone that some students' organisations are putting the various University official notifications/circulars/notices etc. on the name of their organization's watermarked paper and further giving wide publicity to these official notifications in the social media platforms which is tarnishing the image of the University at large and the Hon'ble Vice-Chancellor has taken a very serious note of this. It is, therefore, emphasized upon all the students/students' organizations that such type of illegal activities be stopped henceforth failing which strict action as per law shall be initiated against the defaulter students/ student's organizations.
