

INTERNATIONAL CONFERENCE ON

*Recent Advances in Fundamental and
Chemical Sciences (RAFCS - 2025)*

16th & 17th May, 2025

(Hybrid Mode)

Organized by

Department of Chemistry

Himachal Pradesh University

Summer Hill (India) -171005

About HPU

Himachal Pradesh University was established by an Act of the Legislative Assembly of Himachal Pradesh on 22nd July, 1970 as a response to the needs and aspirations of the Union Territory, poised for full statehood in the Union of India on 25th January, 1971. It is the only multi-faculty residential and affiliating university in the State that provides higher education to urban, rural and tribal areas through formal and distant modes.

The headquarters of the University is located at Summer Hill, the picturesque suburb of Shimla. The University has a total area of 241.11 bighas with stately buildings set among rhododendron, silver oak, pine and deodar trees. It affords a salubrious clime and congenial atmosphere for reflection, study and research. The prime objective of the University is to disseminate knowledge, advance learning and understanding through research, training and extension programmes. It instills in its students and teachers a conscious awareness regarding the social and economic needs, cultural ethos, and future requirements of the state and the country.

Himachal Pradesh University is a multi-faculty and affiliating university. It stands for knowledge, learning, progress, humanity, tolerance, intellect, morality, determination, thought, and discernment. It is a grade 'A' accredited university by the National Assessment and Accreditation Council.

About Chemistry Department

The Department of Chemistry, Himachal Pradesh University Shimla established in 1970 is one of the prestigious departments of the university with the growing list of accolades earned nationally and internationally. At present, the department has 12 highly qualified and committed faculty members on its staff. The Department offers M.Sc and Ph.D degree courses in three specializations: i.e. Inorganic, Organic and Physical Chemistry. Academic output of the Department is commendable, as an average of 8-10 of our students qualifies national tests like UGC/CSIR-NET, GATE /SLET every year which is quite higher than the National average rate. Many students opt to move out to the centres of higher learning: viz CSIR laboratories such as NCL, IHBAT and other reputed institutions like IIT, TIFR, DRDO and BARC. The Department has long tradition of an excellence in research in frontline areas of Chemistry including basic as well as applied nature, i.e. Polymer Chemistry, Synthetic Organic Chemistry, Drug Delivery, Synthetic Inorganic Chemistry, Analytical and Environmental Chemistry, Solution Inorganic Chemistry, Membrane and Transport science using Nano and Green approaches. In addition to the regular grants received by the Department, the faculty members have been awarded research projects by Extra-mural research funding agencies, CSIR, DST, Ministry of Environment and Forests (MOEF), UGC, Defence Research and Development Organization (DRDO), Department of Atomic Energy (DAE) and ICAR. All the faculty members have collaborative research programme for interdisciplinary innovative findings with reputed scientific institutions. The alumni of the department occupy high positions in industry and academia in India and abroad. Their accomplishments have been outstanding and reflect on the quality training imparted at the post graduate and Ph.D. level.

About Conference

The conference aims to foster interdisciplinary collaboration, encourage the exchange of ideas, and promote advancements in fundamental and applied sciences in general and Chemistry in particular. It provides a platform for researchers, educators, and industry professionals to present their latest research, engage in discussions, and build networks with peers from around the globe. This conference will contribute significantly for advancing knowledge in Chemistry, pushing the boundaries of scientific discovery, and addressing global challenges related to health, energy, and the environment.

Themes of the Conference:

Organic Chemistry
Inorganic Chemistry
Physical Chemistry
Analytical Chemistry
Material Sciences
Environmental and Allied Science
Life Sciences

Patron - in - Chief:

Prof.S.P. Bansal, Vice Chancellor, Himachal Pradesh University

Patron:

Prof. Rajinder Verma, Pro Vice Chancellor, Himachal Pradesh University

Co - Patron:

Prof. B.K.Shiv Ram, Dean of Studies, Himachal Pradesh University

Convener:

Dr. Sandeep Chauhan, Chairman, Department of Chemistry,
Himachal Pradesh University
Prof. Baljit Singh, Department of Chemistry

Organizing Secretaries:

Dr. Kiran Kumar
Dr. Jasvir Singh
Dr. Nisha Sharma
Dr. Ramesh Thakur
Dr. Sunil Kumar

Organizing Joint Secretaries:

Dr. Vikrant Sharma
Dr. Rajesh Kumar
Dr. Meena Kumari
Dr. Maridula Thakur
Dr. Santosh Kumar

International Advisory Committee

Prof. Marek Kowalczyk, Polish Academy of Sciences, Poland
Dr. Hemant Mittal, Khalifa University, UAE
Prof. Vijay Thakur, SRUC, UK
Prof. M. S. Bakshi, University of Wisconsin, USA
Prof. Torino Enza, University of Naples, Italy
Prof. Ravichandran Kollarigowda, University of Illinois Urbana-Champaign, USA
Dr. Dines Santra, National Institute of Advanced Industrial Science and Technology, Japan
Michal Piasecki, Jan Dlugosz University, Poland

National Advisory Committee

Prof. Bhuvnesh Gupta, IIT Delhi
Prof. (Retd.) Neeraj Sharma
Prof. (Retd.) Inderjeet Kaur
Prof. (Retd.) G. S. Chauhan
Prof. (Retd.) M. S. Chauhan
Prof. (Retd.) D. K. Sharma
Prof. (Retd.) S. K. Lomesh
Prof. (Retd.) Suvarcha Chauhan
Prof. B.S. Kaith, (NIT Jalandhar)
Prof. Atul Khanna, GNDU, Amritsar

Prof. Baljit Singh, Punjabi University, Patiala
Prof. Ganga Ram Chaudhary, Panjab University, Chandigarh
Prof. Venkata Krishnan, IIT Mandi
Prof. R. K Mahajan, GNDU, Amritsar
Prof. K. K. Bhasin, Panjab University, Chandigarh,
Dr. Pankaj Thakur, JNU, Delhi
Dr. Rajeev K. Sharma, Principal, DAV College Bathinda
Prof. Vinod Kumar, CU of Punjab, Bathinda
Prof. Devender Singh, MDU Rohtak
Prof. Harish Kumar, CU of Haryana, Mahendergarh

Important Dates

Last date for submission of abstract	06 May 2025
Notification for acceptance of abstract	09 May 2025
Last date of registration	12 May 2025
Full paper submission	Will be notified later on
Conference Date	16-17 May 2025

* At least one author of each accepted abstract must register for the conference for the abstract to appear in the proceedings and be scheduled for presentation. Registration form and guidelines for abstract submission can be downloaded from here

Selected articles will be published in Scopus indexed journal and additional nominal charges will be applicable for the publication.

Registration

International delegates	USD 250
Students	INR 1000
Faculty/ Staff from academia	INR 2500
Delegates from Industry	INR 4000

The Registration Fee entitles the delegates to:

- Conference Kit and Conference Proceedings
- Refreshments during morning and evening breaks
- Conference Lunch on 16 & 17 May, 2025
- Conference Dinner on 16 May, 2025
- Cultural show on first day of the Conference

Registration Link: <https://forms.gle/ZhiJfU5tggxKhgkm7>

Accommodation

Accommodation for international and national delegates will be arranged in guest house/hotels near HPU campus on request basis. Hotel accommodation, outside the campus may be booked directly by the delegates.

Note:

The registration fee should be paid to the account details mentioned below and the proof of the payment should be submitted alongwith the registration in the given link.

Name of A/C Holder-Chairman, Department of Chemistry

A/c No.: 00000043857929211

IFS Code : SBIN0002490
