

# HIMACHAL PRADESH UNIVERSITY

NAAC Accredited 'A' Grade University

Department of Biotechnology

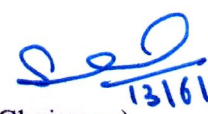

Summer Hill, Shimla-171005

Dated: 13-06-2025

**Subject: Admission to M.Sc. Biotechnology Course at HP University, Shimla campus only through GAT-B (Session 2025-2027).**

The candidates who have a valid GAT-B 2025 score will only be admitted to M.Sc. Biotechnology course at H.P. University, Shimla campus for session 2025-2027. The result of GAT-B test has been declared and candidates interested in pursuing their M.Sc. Biotechnology degree at HP University, Shimla campus are directed to fill the counseling form online at HP University web portal. The portal will be open from 16-06-2025 onwards on our website **nadmissions.hpshimla.in**. For any query regarding admission form the candidates may contact our Computer Centre No. 0177-2833648, 0177-2831298 and also through email ([chairmanbiotechhpusml@gmail.com](mailto:chairmanbiotechhpusml@gmail.com)) or phone (Ms. Leena Mishra 0177-2833708; Mr. Deepak Sakuja 9560246813) for further information.

The Department of Biotechnology at HP University has adequate lecture hall equipped with multimedia system and laboratories [equipped with Laminar hoods, orbital shakers, UV-Vis Spectrophotometers, balances, rockers/shaking platforms, pH meter, hot plate-stirrers, electrophoretic system(s), hot-air oven, autoclave(s) etc.] exclusively used for imparting teaching of courses and conduct of practicals of Biotechnology students. Further, the department has Conference Room, Departmental Library, Two Sophisticated Instrumentation Rooms [HPLC, GLC, Liquid chromatography systems, Bead-maker cum encapsulate, Sonicator, Freeze drier, Chromatography chamber, Thermal PCR, RT-PCR, Orbital shakers, Automatic digital autoclaves etc.], an animal Cell Culture laboratory, a Fermentation laboratory, A DBT-Supported Sub-Distributed Bioinformatics Centre [Sub-DIC] and a Computer room for the students. The University campus has a central Library, Sophisticated Instrumentation Centre, Auditorium and Health Centre to support academic, R&D and Healthcare of its students.
