AERC/Recruitment2025 -26-79
Date: 06/10/2025

NOTICE

The following are the findings of the Screening Committee constituted to scrutinize applications received by the AERC till the last date as per advertisement for one post of Research Investigator and one post of Research Fellow in the Agro Economic Research Centre (AERC). The applications were verified by the Screening Committee in reference to the qualification required/specified for the above mentioned two posts.

The weightage Criterion as per past practice is as follows:

Table 1 Criterion for calculating Score out of 80

Sr. No.	Class/Overall Research Experience	Weightage %
1	Plus Two	10
2	BA/BSc	20
3	MA/MSc	40
4	Research Experience	10
5	Total Score	80

In calculating experience days were converted into months and then months into years as follows:
X days = x/30 months; y months = y/12 months. Research Experience of 5 years = 10 marks as such marks for research experience of x years = 10x/5 marks. Research Experience of more than 5 years = 10 marks (i.e. maximum marks).

Educational qualification: As per the basic requirement of posts M.A./M.Sc. with 2nd Division in Economics with Agri. Economics/Econometrics. Where needed, CGPA/OGPA has been converted into percentage using the conversion factor of the University concerned.
