

**Kind Attention to B.Ed. 2<sup>nd</sup> Year Students of CDOE, H. P. University, Shimla**  
**Compulsory Assignments of B. Ed. 2<sup>nd</sup> Year (Admitted in January, 2025)**

**Dated: 18-06-2026**

**Dear Distance Learners,**

Assignment work constitutes an integral component of the Continuous Comprehensive Assessment (CCA). Accordingly, the Faculty of Education (ICDEOL) has prepared assignment questions for this purpose. The B.Ed. syllabus is available on the H. P. University website under the "Syllabus" link on the Home Page.

Learners are advised to carefully go through the syllabus and the Self Learning Material (SLM) and prepare all the assignments listed in Table - 1. The length of each assignment should not be less than 600 words. Assignments for all subjects must be written in a single register/notebook and should not be submitted on loose sheets. Only handwritten assignments will be accepted.

Learners are further advised to submit their assignments to the concerned PCP Co-ordinator either through **Registered Post** or by **hand** on or before **25<sup>th</sup> July, 2026**. For the postal address, students should contact their respective PCP Co-ordinator.

**Last date of submission of assignments in the University: 25<sup>th</sup> July, 2026**

**Table - 1**

Sr.	Paper	Name of the Course	Assignment Questions
1.	IX-B (i)	Teaching of Physical Sciences	<p><b>Q.1.</b> Why are textbooks important in teaching Physical Science? Explain the main points for checking the quality of a Physical Science textbook.</p> <p><b>Q.2.</b> Explain the importance of teaching aids in Physical Science. Describe some low-cost teaching aids that can be easily prepared and used in schools.</p> <p><b>Q.3.</b> What problems do students commonly face while learning Physical Science? Suggest suitable ways to solve these problems.</p>
2.	IX-B (ii)	Teaching of Life Sciences	<p><b>Q.1.</b> Explain the uses and preparation of learning resources in Life Science. What points should be kept in mind while organizing a Life Science laboratory?</p> <p><b>Q.2.</b> How can textbooks be used effectively in Life Science teaching? Suggest ways to improve the quality-of-Life Science textbooks.</p> <p><b>Q.3.</b> Explain the main steps of lesson planning in Life Science with a suitable example.</p>
3.	IX-B (iii)	Teaching of Mathematics	<p><b>Q.1.</b> What are teaching aids? Explain their importance in Mathematics. Describe some low-cost teaching aids that can be used in schools.</p> <p><b>Q.2.</b> Explain the principles and steps of preparing a good lesson plan for teaching Algebra to Class 8 students.
