## Message

Himachal Pradesh University Business School (HPUBS) has acquired a reputation for imparting Quality Management Education for the last 43 years. It is also providing good quality management graduates to the corporate world. The education being imparted in the Business School of the University is of a very high quality and the curriculum is updated as per requirement of the present day corporate world. It provides a unique learning environment where the contribution of each individual is highly admired and valued. The alumni of this school have excelled both as entrepreneur and managers in different fields.

It is a matter of great pleasure and satisfaction for me that the University Business School is bringing out a "**Placement Brochure-2015**" containing brief curriculum-vitae of its students.

I wish the Business School and the budding managers a great success.

**Prof. Arun Diwaker Nath Bajpai**

## Message

We at the Himachal Pradesh University Business School, Shimla (HPUBS) are engaged in the stupendous task of building a class of innovative and dynamic managers for the corporate world. For the last 43 years, the school is providing an AICTE approved full time MBA programme based upon the UGC Model syllabus with dual-specializations. The courses at HPUBS are designed to equip the students with the skills to meet the challenges' & opportunities of the corporate world. We are striving hard to club together the advancements taking place in the corporate world, its business practices, information technology innovation and teaching the same with commitment and passion. Apart from classroom teaching, the budding managers are involved in organizing various personality development activities, extra curricular events and visits to industries for equipping themselves for facing the challenges of the corporate sector.

I take this opportunity to introduce our 43rd batch of MBA participants who would be available for final placement after June 2015. I am sure, that once recruited, the students of this school shall be valuable human resource assets for the corporate employers.

**Prof. Yashwant Gupta**

## Invitation for campus recruitment programme 2015

It is my pleasure to introduce to you the participants of our MBA regular full time programme through this placement brochure. The programme of our school is 43 years old and offers dual specialization. The batch (2013-15) has 95 participants and their area of choice is Marketing, Finance and Human Resource Management. These participants will be ready to enter the corporate world after June 2015.

Shimla is an extremely attractive destination during this period and provides a pleasant break to busy professionals. I request you to kindly go through the Placement Brochure which contains an introduction of our Business School and brief profile of our students. **Their detailed resumes are also available on our website i.e. [hpubsshimla.org](http://hpubsshimla.org).**

I take this opportunity to extend an invitation to visit our Business School on any date convenient to you for participating in the Campus Recruitment Programme which has been planned in the months of **March to May, 2015**. In case you would like to hold any test/preliminary interviews on campus, we would be glad to arrange the same. Please convey your detailed programme well in advance to enable us to make all necessary arrangements.

I would like to assure you about the quality of our students who once recruited shall be valuable resources to the organization.

Looking forward to a favourable response.

**Prof. J.S. Parmar**

## ABOUT THE INSTITUTE

Himachal Pradesh University Business School, formerly the Institute of Management Studies of H.P. University (Estd. 1971) is proud of some eminent personalities in the field of management education who were associated in its establishment & development.

Dr. S.K.R. Bhandari, Professor of Management Studies was invited from Banaras Hindu University to design and start the MBA program. Late Dr. R.N. Singh, former Vice-Chancellor, Rajasthan University, Jaipur headed the enlarged faculty of Commerce and Business Administration.

The aim of HPUBS, is to recognize the universality of application of management discipline to all walks of life. Besides so many management graduates, the school also boasts of about hundred Ph. Ds and three hundred M. Phils. The school is well equipped with modern library facilities. Modern teaching aids like Audio-Video are being used in the classroom. The school has a well managed Computer Lab, with all latest facilities.

Participants are given training in modern computer programs.

# INDUSTRIAL INTERACTION PROGRAMME (IIP)

The basic framework of the IIP is that the experts from various industries are invited to the campus to have interactive sessions with the students; the sessions as of now are held on a monthly basis but with the success that the programme has seen in the initial few sessions, it has been planned that the frequency of such sessions would be increased to once a fortnight.

The basic motive of the programme is to expose the students of HPUBS to the corporate world and give them a general exposure to various industries so that by the time they are about to graduate they have a fair idea of the industry that they want to pursue a career in. This exposure to the students would be brought about by interaction sessions and regular industrial visits.

## PURPOSE

**EXPOSURE:** The most important purpose of the Industry Interaction Programme is to expose the students to the cultures of the corporate world so that they gain insight about various industries and their work practices.

**SENSE OF DIRECTION:** The various industrial experts can easily provide a sense of direction to the students for their careers in different fields by giving them an insight on the opportunities available and the trends prevalent in those fields.

**INSPIRATION/MOTIVATION:** Interaction with successful people can act as a huge source of inspiration for the students who are at a critical stage of their careers who more than anything else need motivation to be able to set and achieve their goals.

**CONFIDENCE BUILDING:** Such interactions enable students to open up to become more interactive and give them confidence to be able to communicate well and shed their fear of being irrelevant.

# PORTFOLIO OF PROGRAMMES

The programs offered by the Business School are :

- 1) Master of Business Administration (MBA) Program
- 2) Doctor of Philosophy in Business Administration (Ph.D.)
- 3) Faculty Development Program
- 4) Executive Development Program

## ACADEMIC YEAR

The academic year begins on First of July every year and extends upto the Thirtieth of June of the following year. Semester system runs bi-annually from June to December and January to June. The examinations are held at the end of each semester.

## ADMISSION PROCEDURE TO MBA PROGRAM

The school admits 120 students for MBA course.

Minimum eligibility for the course is any first bachelor degree of a university, established by law in India, at least with 50% marks.

The admission is based on the merit in HPUMAT competitive examination, which comprises of Application Rating, Management Aptitude Test, Group Discussion and Personal Interview.

# INDUSTRIAL EXPOSURE

The students undergo industrial tour and industrial training during the winters every year.

## INDUSTRIAL TOUR

The students of first year undertake an industrial tour just after completion of first semester. The visit is in line with the preference of the student of MBA programme. The tour spreads over a period of about 15-20 days during which students visit various industrial and commercial centers of the country. They visit a number of industrial concerns and Management Institutes to get familiarized with their working environment. This enables them to develop clarity of their areas of interest and chalk out career goals and objectives.

## WINTER TRAINING PROGRAMME

The winter training programme is viewed as an exposure to the work environment of industry. In order to polish the future manager's skills, a winter assignment is an essential academic requirement to the second year students. Duration of the winter training is about eight to ten weeks, which begins in the month of January every year. After general understanding of organizational setting during two weeks each participant is expected to work in the field of his/her interest and selects a problem for project work. Student has to complete it in consultation with their supervision in the concerned organization. Student's performance is evaluated on the basis of reports duly signed by his/her supervisor in the company. Each student is required to submit the training report to the institute within fifteen days of the completion of training.

## STUDENT ASSOCIATION ACTIVITIES

HPUBS Students Association is a front-runner duly-registered association managed & controlled by the students of HPUBS Shimla. Round the year, the association organizes a variety of events & activities. To mention as few:

### TEACHERS DAY:

“Education is the key to success in life, and teachers make a lasting impact in the lives of their students.” A teacher is a stepping stone in a student's life. Therefore, the students of HPUBS leave no stone unturned to express their love and gratitude towards their teachers by celebrating their day, “TEACHERS' DAY” September 2014 in a reverent manner.

## AARABDHI 2014

A National Level Management Fest named “Aarabhi '14” was organized by the students of HPUBS on 12th and 13th May, 2014. The Chief Guest for the fest was Prof. ADN Bajpai, hon'ble VC of the HPU. This 2-day fest included more than 40 events categorized into four genres namely, Management, Literary, Fine-Arts & Cultural events. Various Universities and Colleges had participated in different events.

## FAREWELL 2014

Farewell has a sweet sound of reluctance. Good-bye is short and final, a word with teeth sharp to bite through the string that ties past to the future. The students of first year bid adieu to the second year students at the event called “Cheerios '14” held at Ritz, The Mall, Shimla.

## FRESHERS 2014

Time and tide waits for none, and so is life. One goes, another comes. It was the time to welcome a new batch of students to the HPUBS, an addition to the family. A welcome party named "Augustine" was organized for the junior batch at 'The British Resort', Shimla on 3rd November, 2014. All the students enjoyed to their fullest.

## INDUSTRIAL TRIP TO GOA

Like every year the students of HPUBS went on an Industrial Trip to Goa. The main aim of this trip is to acquaint the students with the working of the industries. It gives an exposure to the students as to how things are carried out at an industrial level. The students visited industries like Surekleen (laundry industry) and Hit (mosquito repellent). It was a good experience.

## ALUMNI MEET'2015:

'BIENVENIDO A CASA' the annual Alumni Meet of the Business School was organized on 4th April 2015 at Chandigarh. Forty distinguished alumni along with the students of MBA current batch and teachers of HPUBS attended the event. The event was marked by a presentation by the students about the activities and achievements of the Business School. Many alumni who are successful entrepreneurs shared their experiences with the participants in the meet. During the course of discussion a lot of ideas and suggestions came up, which can be effective in improving the placement activities of the Business School and interaction with the industry. It was also resolved that the next meet will be organized at a bigger scale in Shimla in 2016.

## THE MASTER OF BUSINESS ADMINISTRATION PROGRAM

### AIM

The aim of MBA program is to enable a graduate student to become a practitioner during the course itself. While preparing a student for management career the emphasis is on self-learning. We encourage the analytical and searching minds to consolidate their varied skills, creativity, innovativeness and thus knowledge to be able to make mature judgments.

### PATTERN

Master of Business Administration program is spread over four semesters (2 years). It attracts students from all over the country and admission is strictly based on merit in HPUMAT competitive examination comprising of written test, group discussion and personal interview. All 120 students inducted every year go through a comprehensive Management Program.

### CURRICULUM

The curriculum of MBA Program has been designed such a way that it impart the knowledge of different functional areas of management and provides the global perspective and latest dimensions of business.

### FIRST YEAR

The first two semesters are common to all the students of MBA with a focus on thorough grinding in the fundamentals of managements like accounting, organizational behavior, economics, computer, finance, marketing, operation research and quantitative technique. Besides academic learning, students are also taken for industrial visits in order to familiarize the participants about the actual industrial situations.

### MBA CURRICULUM

FIRST SEMESTER	SECOND SEMESTER

## **PLACEMENT PROCEDURE**

The following procedure is suggested to prospective organization participating in our campus recruitment programme.

After preparing an assessment of the job opportunities available in your organizations, kindly communicate to us the company profile along with vacancy/ies, job profiles, salary package & location of assignment. This information will facilitate in fixing date of campus visit and number of students available.

Interview/test/group discussion may be conducted at mutually convenient dates either at our institute or at any other place convenient to your organization.

Kindly route all communications including the appointment letters through our office. This will enable us to get the action and decisions of the students expedited when ever necessary.
